Winter Wonder Shawl

Hygge yarn and this shawl are a perfect, snuggly combination! The bobbles add even more gentle texture to this already soft yarn, you'll love it!

Shawl measures 52" wide x 15" long [132 x 38 cm]

NOTES

1. To avoid the long edge from becoming too tight or puckering, work a yarnover (yo) after the first stitch on the wrong side rows, then drop that yo when you come to it on the right side.
2. Slip markers as you come to them.
3. Shawl is worked back and forth in rows. A circular needle is used in order to accommodate the full width of the stitches.

SPECIAL STITCHES

kfbf (Knit into the front and then back and then front) = Knit the next stitch on the left hand needle and before taking it off the needle, insert the tip of your working needle into the backside of the same stitch and knit it through the back loop; then insert the tip of your working needle into the front of the same stitch and knit it through the front loop.

Transfer the 3 stitches to the right hand needle – 2 st increased.

kfb (Knit into front and back) = Knit next st but do not remove from needle, knit into back loop of same st and remove from needle. **BACK**

Bobble = Knit into the front and back of the stitch twice; turn and purl the 4 sts; turn and knit the 4 sts; bind off 3 of the 4 sts by slipping the second st over the first 3 times to return the count to one.
