**What You Need Continued...**
**Susan Bates® Circular Knitting Needle:**
10mm [US 15] 36" [91 cm]

Stitch holders, stitch markers, yarn needle

**GAUGE: 7.5 sts =** 4" (10 cm); 11 rows = 4"
(10 cm) in Stockinette stitch. **CHECK YOUR GAUGE. Use any size needles to obtain the gauge.**

Directions are for size Small; changes for sizes Medium, Large, X-Large and 2X are in parentheses.

**Finished Bust:** 36 (40, 44, 49, 53)" [91.5 (101.5, 112, 124.5, 134.5) cm]
**Finished Length:** 28 (29, 29½, 31½, 32)" [71 (73.5, 75, 80, 81) cm]

## NOTES

1. Jacket is worked back and forth in rows. Circular needle is used to accommodate large number of stitches.
2. Sleeves are worked first and placed on holders. Body is worked next, then all pieces are joined to work the raglan Yoke. Front and neck edgings are picked up and knitted.
3. If no yarn color is indicated on any particular row, simply continue with the working yarn from the previous row.
4. **Expert tip:** All stripes begin on a wrong side row. If you are comfortable enough with the pattern, feel free to begin some of the stripes on right side instead of wrong side, as long as you work the correct number of rows in that color. This way the yarn tails will be spread out between the two edges rather than ending up all on one side, and potentially bulking up that edge.

## SPECIAL ABBREVIATIONS

**M1:** Make 1 (Increase) Lift strand between needles to left-hand needle and work strand through the back loop, twisting it to prevent a hole, [knit or purl as indicated by pattern st].
**ssk:** (1 st decrease) Slip next two stitches knitwise to right needle, insert point of left needle through front of sts, knit these sts together through back loop.
**sssk:** (1 st decrease) Slip next three stitches knitwise to right needle, insert point of left needle through front of sts, knit these sts together through back loop.
