Notes

1. Shrug is worked back and forth in rows on
circular needle, as if working on straight
needles.
2. Shrug is knit sideways, from cuff to cuff.
3. Stitches are picked up across outer edges
to work ribbed band.
4. Size of shrug can be customized, to create
longer or shorter sleeves. Work more or
fewer rows of the pattern, taking care to
end with a Row 6 or Row 12 of pattern.
