**kfb (Knit into front and back)** = Knit next st  
but do not remove from needle, knit into back  
loop of same st and remove from needle.

**ssk** = Slip next two stitches as if to knit to  
right needle, insert point of left needle through  
front of sts, knit these sts together through  
back loop.

## Notes

1. Back and sleeves are worked in Stockinette  
stitch with Garter stitch borders.
2. Fronts are made up of three vertical strips  
of mitered squares. Each mitered square  
begins by picking up stitches across one  
edge of the previous mitered square (if any)  
and corresponding mitered square of the  
previous strip (if any). This joins the mitered  
squares as they are knit.
3. The topmost mitered square at the front  
edge of each strip forms one-half of the  
collar. Edges of each collar square are  
sewn together at back neck, and lower  
edge of collar is sewn to neck edge.
