[66 (71, 76) cm]

Finished Length: 16½ (18, 19½)"

Notes

1. Body is worked in one piece from lower edge to underarms. Piece is then divided and fronts and back worked separately to shoulders.
2. Stitches for sleeves are picked up along armhole edges of upper body then sleeves are knit down to cuffs.
3. If preferred, use a circular needle. Work back and forth on circular needle as if working with straight needles. A circular needle may be particularly helpful when knitting the sleeves.
4. Pockets are worked separately and sewn to Cardigan.
