Holiday Mitten Scrubby

Slip on this clever mitten and use your whole hand to wash dishes in the kitchen or invigorate your skin with a bath scrub. This mitten is knit with unique polyester yarn that can be washed by machine and air dries quickly. It's the perfect hostess gift or stocking stuffer.

Scrubby measures about 4½" [11.5 cm] across hand and 8½" [21.5 cm] long, not including hanging loop.

Notes

- Mitt is worked from wrist edge upwards, back and forth in rows.
- Stitches are increased to shape thumb gusset then stitches are divided onto holders, leaving the thumb stitches to be worked separately. After thumb is complete, the held stitches are returned to the needles and the remainder of the hand is knit.
- Side edges of mitt are sewn together to complete piece.
