Twirly Twists Hair Flair

Add some colorful flair to your hair with this twirly twists pattern! This easy technique doesn't require a crochet hook at all! Just acrylic yarn in your favorite colors and a bright attitude.

TWIRLY TWISTS

1. Pre-cut lengths of yarn that are double the length of the twist you want to create.
3. Hold strands of yarn together. Fold strands in half and lay yarn on top of hair section.

2. Part a small section of hair at the scalp about the size of a dime.

4. Divide yarn strands equally into two parts, keeping hair as one part.

5. Braid yarn with hair about three times to secure pieces together.

7. Continue to twist parts together until there is 2" [5 cm] of yarn left.

9. Secure the end of wrapped yarn by tying a knot around remaining strands.

6. Twist two parts around each other to create a two strand twist.

8. To secure your Twist, take one strand of yarn and wrap it around all strands for about 1/2" [13mm].

STYLING OPTIONS

10. Add Twist into larger pony tails or allow Twists to remain separate to hang freely.
