## What you will need:

**Red Heart® Collage™:** 1 ball  
9983 Frozen

**Crochet Hook:** Your fingers

**GAUGE:** Gauge is not  
important for this project.

**RED HEART®  
Collage™, Art E859**  
available in print  
colors 5 oz (141 g) 55 yds  
(50 m) balls

Cowl is approximately 7½" (19cm) wide x 29" (74cm) circumference.

## COWL

**Beginning chain:** Use your fingers to make a slip knot and adjust loop so that two fingers will fit into it easily. Use your fingers to pull yarn strands from balls through the loop; 1 chain made. Repeat 6 more times so you have 7 chains.

**Row 1:** With last chain on your fingers, slip fingers into second chain from your hand and pull working yarn through; you now have two loops on your fingers. Then pull yarn through both loops; 1 single crochet (sc) made.

Repeat in each of the remaining 5 chains to finish first row of 6 single crochets.

**Row 2:** Chain 1 and turn. Slip your fingers under the top strands of the first sc, pull working strand through (you now have 2 loops of yarn strands on your fingers). Pull working yarn through both loops; 1 sc made. Repeat in remaining 5 sc.

Repeat Row 2 until 28" (1m) long leaving enough length for joining.

**Joining with Slip Stitches:** Holding beginning chain under last row, slip fingers through both last stitch and chain st; pull a loop of yarn through. Leaving loop on your fingers, continue across to join the last row to the beginning chains. Cut tail about 10" long and pull through loop still on your fingers; pull tightly to secure.

## FINISHING

Weave ends through existing stitches.

# Awesome Finger Crochet Cowl

This easy-to-do technique lets you crochet a cowl in the time it takes to watch a television show! Using your fingers instead of a hook is a fun way to crochet!
