1. **Unroll your ball:** Completely unroll your ball and put the two ends together.
2. **Chain with double strand:** Use your fingers to make a slip knot and adjust loop so that your hand will fit into it easily. Use your hand to pull yarn through loop and make a chain. Repeat until you have about 6" (15 cm) left.
3. **End off and weave ends:** Pull end through last chain and tighten to finish off. Weave in ends to hide them.

*This easy-to-do technique lets you

yarn and use your fingers instead of a hook for a
fun, fab accessory!*
