Scarf Measures 3" (7.6 cm) wide X 45"
(114.3 cm) long

NOTE: This scarf is a chain that is made by
hand rather than with a crochet hook. Use the
palm of your hand to measure each chain so
that the chains will be consistent in size.

SCARF

Unwind the ball of yarn and lay it flat on the
floor or table. Take one end of the yarn and
match up with the opposite end, doubling
your yarn. Using your hand and doubled yarn,
make a slip knot leaving a 5" (12.7 cm) tail
and adjust loop to width of your hand. Pull
yarn through the loop to form a chain. Using
the palm of your hand to adjust the size of
chain. Continue to pull yarn through each
chain formed until you reach 45" (114.3 cm).
Tie off. Knot each end three times and trim
remaining yarn.

Easy Breezy Hand Chain

*What a bright idea! This yarn already features
yarn loops, so all you need to do is make a
hand chain. You'll have a new scarf in
just minutes!*
