Candied Hand Chain Scarf

*What a bright idea! This yarn already
features yarn loops, so all you need to do is
make a hand chain. You'll have a new scarf
in just minutes!*

Scarf Measures 3" (7.6 cm) wide X 45"
(114.3 cm) long.

NOTE

This scarf is a chain that is made by hand
rather than with a crochet hook. Use the palm
of your hand to measure each chain so that
the chains will be consistent in size.

SCARF

1. Unwind the ball of yarn and lay it flat on
the floor or table. Take one end of the yarn
and match up with the opposite end, doubling
your yarn.
2. Using your hand and doubled yarn, make
a slip knot leaving a 5" (12.7 cm) tail and
adjust loop to width of your hand. Pull yarn
through the loop to form a chain. Use the
palm of your hand to adjust the size of chain.
3. Continue to pull yarn through each chain
formed until you reach 45" (114.3 cm). Tie off.
Knot each end three times and trim remaining
yarn.
