Zippy Loom Super Scarf

Snuggle up with this fun and stylish super scarf in Grande! It is made using a Zippy knitting loom and topped off with contrasting pompoms.

Scarf measures 7" x 84" (18 x 213 cm)

SCARF

With **A** cast on 10 sts in ewrap and prepare to work a flat panel.

Row 1: Ewrap knit to end.

Row 2: Purl to end.

Repeat Row 1 and Row 2 until scarf measures approximately 84" (213 cm) from cast on edge or 119 rows.

Bind off with Basic Bind off method. Weave ends in.

POMPOMS

With **B**, make (4) pompoms, or (2) for each end of scarf.

To measure, use a cardboard approximately 6-7" (15-18 cm) wide. Wrap yarn around cardboard 20-25 times, and remove. Use strand of yarn about 12" (30.5 cm) long to tie center of yarn wraps tightly. Tie secure knot with strand ends.

Hold pompom with strands, and shape with scissors to desired shape. Gather the end stitches of ½ of scarf edge and pull the end of strand thru and knot securely. Try to do this knot at base of pompom. Trim to length of other fringe.

Attach 2nd pompom to the other ½ of edge stitches. Repeat for the other 2 pompoms at opposite end of scarf. Trim all and weave in any remaining yarn tails.

Ewrap Stitch

Begin Ewrap stitches from left to right on the Zippy loom. From the last peg, wrap this same peg again in a counterclockwise direction. The working yarn is now between this peg and the next peg, wrap the next peg in clockwise direction. Repeat wrapping the remaining pegs in a clockwise direction. Each peg should now have 2 loops.

HOW-TO Cast On

Place the slipknot on the first peg on the right side of the Zippy loom. Moving from right to left, wrap the working yarn around 2nd peg in counterclockwise direction. Repeat with the remaining pegs.

SHOP KIT

Starting with the last peg (where the working yarn is located), with your fingers (or knitting hook) take the bottom loop up and over/off the peg. Repeat with the remaining pegs. One loop should remain on each peg.

Purl Stitch

This stitch is the reverse of the knit stitch. Place working yarn below the loop on the peg being worked. Insert the hook from top of loop, grab working yarn and pull under loop and lift off peg. Replace the new loop onto peg.

The Purl stitch is used in combination with the Ewrap or the Knit Stitch or the stitch to prevent a knitted piece from curling.
