Pom-pom Trio Trim

Make mini-pom-poms for a fun addition to your backpack, for a key chain, to make a necklace or earrings, on scarf corners, to decorate for parties and holidays, or even to make your suitcase stand out at the airport. These instructions use a regular kitchen fork to make small pom-poms about 1¼" (3.2 cm) in diameter. It's a fast, fun project for all ages!

Note

Each Pom-pom uses
4½ yds (4 m).

POMPOMS

1. Cut a ½ yd (.46 m)
piece of yarn and place
between center prongs
of fork.

2. Cut a 4 yd (3.7 m)
piece of yarn and wrap
around fork prongs.

3. Using the ½ yd (.46 m)
piece of yarn, tie tightly
around wraps and knot it.

4. Slip wraps off of the
fork; cut the loops on
both sides.

Finishing

5. Roll in hand to fluff it.
Trim pom-pom to give it a
nice round shape.
