- Only very small amounts of the Super Saver yarn are needed.

Step 1: Print out Llama template. (see page 5). With spray adhesive, glue template to cardboard.

Step 2: Cut out llama, following the template lines.

Step 3: Cut chenille stem into 6 lengths 2" [5 cm] long. Fold in half. With hot glue, glue one folded chenille stem to the head of each llama cutout for ears.

Step 4: With hot glue, glue one folded chenille stem to each leg of each llama cutout for feet.

Step 5: Cut 3 lengths of B and tie them together with an overhand knot. Braid lengths together to make 2" [5 cm] braid and trim off the excess for tail.

Step 6: With hot glue, glue tail to the llama then glue the two cutouts together. The llama is now ready to have yarn attached to it.

Step 7: With hot glue, glue the end of D to head. Wrap D around llama to cover the head.

Step 8: Wrap D around the neck and glue in place where needed.

Step 9: Wrap D around body and glue in place where needed.

Step 10: Wrap D around legs, keeping base of feet exposed and gluing where needed.

Step 11: Continue to wrap and glue until the llama is completely covered and ready for the blanket.

BLANKET

Step 1: Cut out 1½ x 3" [4 x 7.5 cm] rectangle of brown felt.

Step 2: Cut 3 lengths each of A, B and C. Holding 1 strand of each color, tie 3 strands together at each end, leaving approx 3" [7.5 cm] between knots. Repeat to make a total of 3 groups, with 1 strand of each color in each group.

Step 3: With dots of hot glue, glue the knotted strands evenly spaced along rectangle of brown felt placing a dot of glue under each knot.

Step 4: Trim A, B and C to ½" [13 mm] long and fray the ends to create faux tassels.

Step 5: With hot glue, glue blanket to llama, pinning in place until dry.

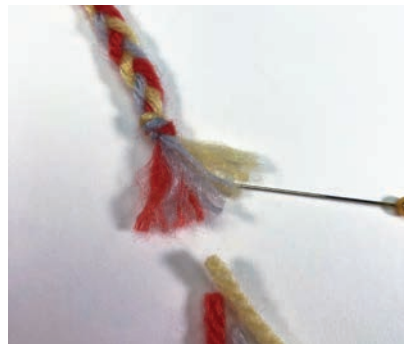

SCARF

Step 1: Cut one length each of A, B and C approx 15" [38 cm]. Tie A, B and C together with an overhand knot and braid together to make approx 12" [30.5 cm] braid. Tie end together with an overhand knot.

Step 2: Trim A, B and C ½" [13 mm] long and fray the ends to create faux tassels.

FINISHING

Step 1: Wrap and tie Scarf around the llama's neck.

Step 2: Thread a large needle with 12" [30.5 cm] of monofilament line. Push the line through the top of the Llama's back.
