Instructions

1. Cut several of the pompoms off the Pomp-a-Doodle string; set aside.
2. Starting with larger cone, remove backing from felt sheet. Begin at the top of the cone and wrap felt around cone. Trim any excess felt that is overlapping and from the bottom of the cone.

NOTE

On the large cone there will be a little white of the cone showing, but will be covered by the pompoms in finishing.

3. Repeat Step 2 for smaller cone.
4. With glue gun, secure three pompoms to the top of each cone. At the bottom of each cone, glue one row of pompoms all the way around.

Finishing

Using photo as a guide, glue two buttons to each cone.
