Beach Wall Hanging

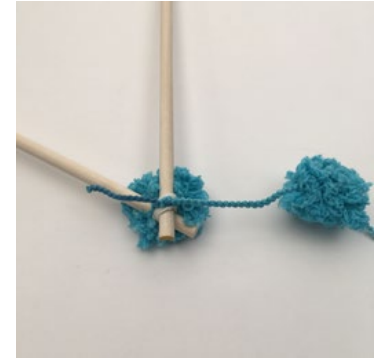

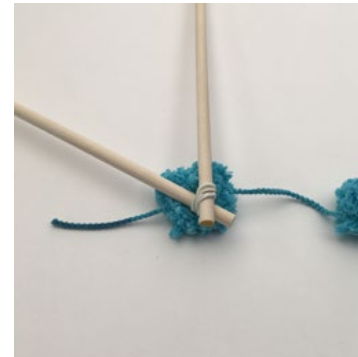

If you love pom-poms, but would rather not make them, this is the yarn for you! Pom-poms come already attached to the base string and ready for crafty fun. We used a starfish as an embellishment at the top of the hanging--but you could use any shells you have collected.

WALL HANGING

1. Bind two ends of dowels together with rubber band. Bind other two dowels together to form triangle.

2. Cut a 4-pompom section of yarn. Place end of pompom yarn under one point of the bound rods. Tie yarn in knot.

3. Repeat step #2 on the next point of the bound rods.

4. Cut a 4-pompom section of yarn. Tie to remaining point of the bound rods.

5. Cut two 5-pompom sections of yarn. Tie to top rod, 4-inches from the sides.

6. Loop the yarn around the rods on either side, and glue in place.

7. Cut a 7-pompom section of yarn. Place starfish in center pompom, and tie in a knot.

8. Tie ends of yarn to top rod to form hanger.

9. Cut a 2-pompom section of yarn. Tie to center of top rod. Tie loose yarn at end of the bottom pompom and fray the ends to create tassel.

10. Apply glue to back of wall art to secure each knot. Let dry.
