★ No skills required.

Wreath measures approximately 15" in diameter.

RED HEART® Bulky Weight Yarn: RED HEART® "Light & Lofty"", 100% Acrylic, Art. E708 or RED HEART® "Baby Clouds"", 100% acrylic, Art. E710 (6 ounce solid color/4.5 ounce multi-color skeins).

Amount: 21 Ounces No. 9311 Cloud.

Wire coat hanger (or purchased 12"-wire ring and wire wreath hanger); cardboard; scissors; purchased decorations; large ribbon bow.

Shape wire hanger into a ring, then bend hook for hanging loop OR use purchased wire ring.

Yarn Bundle (Make approximately 88): Wind yarn 20 times around a 4" piece of cardboard. Slip these strands off the cardboard. Then, with a separate 8" strand of yarn, tie strands together at center (see Figure 1); do not cut yarn loops.

Using the ends of the 8" strand, tie the bundle to the ring, positioning the bundle perpendicular to the wire (see Figure 2).

Make another bundle and tie to the ring adjacent to the previous bundle. Continue to make bundles and tie them to the wire in the same way, positioning each bundle against the previous bundle and working around the ring until the entire wire ring is filled.

Wind yarn or fine wire around sections that can be hidden of the bow or other decorations and tie (twist wire) around wire ring base. Glue smaller decorations in place.
