WREATH

1. Cut a length of yarn approximately 36" (91 cm). (You can wrap with the yarn ball, but a shorter piece of yarn helps avoid tangles.)
2. Use your finger to secure the yarn to the wreath and begin wrapping, adjusting the tension to help align the pompoms.
3. When you run out of yarn, secure the yarn end with a knot or hot glue.
4. Repeat steps 1-3, adding a new length of yarn when necessary, until the wreath is completely covered in yarn.
5. Secure the last yarn end with a knot or hot glue. Tuck in yarn ends.

This wreath is sure to win hearts. Easy and quick to wrap, Pomp-a-Doodle yarn is perfect for holiday crafting!
