Wind E 50 times evenly around First Half of tool. Cut. Secure. Trim.
Wind D approx 50 times to cover Color E. Cut. Secure. Trim.
Wind A around First Half of tool until full. Cut. Secure. Trim.

Wind B 50 times at center of Second Half of tool. Cut. Secure. Trim.
Wind C approx 50 times to cover Color B. Cut. Secure. Trim. Wind A around Second Half of tool until full. Cut. Secure. Trim.

## Yarnspirations" <br> spark your inspiration!

## Version 2:

Wind $A$ approx 30 times at left side of First Half of tool. Cut. Secure. Trim.
Wind D approx 60 times next to A. Cut. Secure. Trim.
Wind E approx 80 times next to D. Cut. Secure. Trim.
Wind D approx 60 times next to E . Cut. Secure. Trim.
Wind A approx 30 times next to D. Cut. Secure. Trim.

Wind A approx 30 times at left side of Second Half of tool. Cut. Secure. Trim.
Wind C approx 60 times next to $A$. Cut. Secure. Trim.
Wind $B$ approx 80 times next to $C$. Cut. Secure. Trim.
Wind C approx 60 times next to B. Cut. Secure. Trim.
Wind A approx 30 times next to $C$. Cut. Secure. Trim.

PomPom \#3

Wind C 80 times at center of First Half of tool. Cut. Secure. Trim
Wind E of 2 layers to cover Color C . Cut. Secure. Trim.
Wind C around First Half of tool until full. Cut. Secure. Trim.

Repeat for Second Half of tool the same steps as for First Half of tool. Cut. Secure. Trim.

PomPom \#4

Wind A approx 30 times at left side of First Half of tool. Cut. Secure. Trim.
Wind E approx 30 times next to A. Cut. Secure. Trim.

Wind A approx 30 times next to E . Cut. Secure. Trim.
Wind $B$ approx 30 times next to $A$. Cut. Secure. Trim.
Wind A approx 30 times next to B. Cut. Secure. Trim.
Wind E approx 30 times next to A. Cut. Secure. Trim.

Wind A approx 30 times at left side of Second Half of tool. Cut. Secure. Trim.
Wind $B$ approx 30 times next to $A$. Cut. Secure. Trim.
Wind $A$ approx 30 times next to $B$. Cut. Secure. Trim.
Wind E approx 30 times next to A. Cut. Secure. Trim.
Wind A approx 30 times next to $E$. Cut. Secure. Trim.
Wind $B$ approx 30 times next to $A$. Cut. Secure. Trim.

## Pompom \#5

Wind 1 strand each of B, C, D and E tog around First Half of tool until full. Cut. Secure. Trim.

Wind E around Second Half of tool until full. Cut. Secure. Trim.

## Yarnspirations" <br> spark your inspiration!

## Pompom \#6

Wind $A$ approx 30 times at left side of First Half of tool. Cut. Secure. Trim.
Wind $B$ approx 40 times next to $A$. Cut. Secure. Trim.
Wind A approx 40 times next to B. Cut. Secure. Trim.
Wind $B$ approx 40 times next to $A$. Cut. Secure. Trim.
Wind A approx 50 times next to $B$, then around First Half of tool until full. Cut. Secure. Trim.

Repeat for Second Half of tool the same steps as for First Half of tool. Cut. Secure. Trim.

## Pompom \#7

Wind A approx 30 times evenly around First Half of tool. Cut. Secure. Trim.
Wind C approx 20 times in 4 places spaced evenly between. Cut. Secure. Trim.
Wind A around First Half of tool until full. Cut. Secure. Trim.

Repeat for Second Half of tool the same steps as for First Half of tool. Cut. Secure. Trim.

All Versions: Bring both halves together.
Cut loops at both ends.
Final pompom design is now aligned.
Tie tightly in the middle length of any color, leaving a long end.
Carefully remove all tool parts.
Trim to a smooth round shape leaving 2 long ends of timing yarn (approx 6" [15 cm]). Tie both ends tog to create hanging loop.
