

Peaceful Dreams Pillow

Here's a great way to personalize a bedroom. We've included instructions for our pillow, but you can adapt these instructions and let your creativity take over.

Pillow Measures: 45" X 16"

RedHeart® "Boutique Doodle™": 1 ball 1114 Cream.

Materials

45"x 16" body pillow and pillow case
fabric glue
measuring tape
straight pins
fabric chalk or erasable pen
scraps of cardboard

PILLOWCASE

Marking Letters

Download the letters used in this project and cut them out. Place pillowcase flat with cardboard inside to protect the back side of the pillowcase. Position the letters and peace sign on pillowcase centering top to bottom and left to right; pin in place. Trace around each letter with fabric chalk or erasable pen.

Cut and Knot Yarn

Measure the yarn against each letter leaving about 3" extra yarn to tie a knot in both ends of the letter.

NOTE: Yarn will tear if pulled too tight.

Glue Letters

Run a line of glue inside the traced letter. Being careful not to use too much as it will smear onto the pillowcase. Place the yarn letter onto the glue, press down and pin in place. Continue for all letters and peace symbol.

Keeping the cardboard scrap inside the pillowcase, set aside and let dry for 24 hours.

Remove pins and insert pillow into the pillowcase.
