MEASUREMENT

Approx 22" [56 cm] long (excluding bottom tassel).

INSTRUCTIONS

Cut 6 lengths of yarn 120" [305 cm] long.

Fold yarn in half and make a knot approx 1" [2.5 cm] from top, creating a hanging loop.

Divide 12 strands as 6 strands in the middle (referred to as the 'carrying cords') and 3 strands on either side (these will be referred to as the 'knotting cords').

Work Spiral Knot: Take the right knotting cords and place them over the carrying cords, and under the left knotting cords. Take the left knotting cords and pass them behind the carrying cords and through the loop made by the right knotting cord. Pull both cords to tighten. Work Spiral knot for 4" [10 cm].

Divide strands into 3 groups of 4.

Place wooden beads on groups of 4 and knot to keep in place approx 7" [18 cm] down from end of Spiral Knot section.
