Creating and providing attire for healthcare workers is a specialty we take seriously.

NNT understands the need for practical, responsive, easy-care and comfortable garments while appreciating the value of feeling and looking good at work.

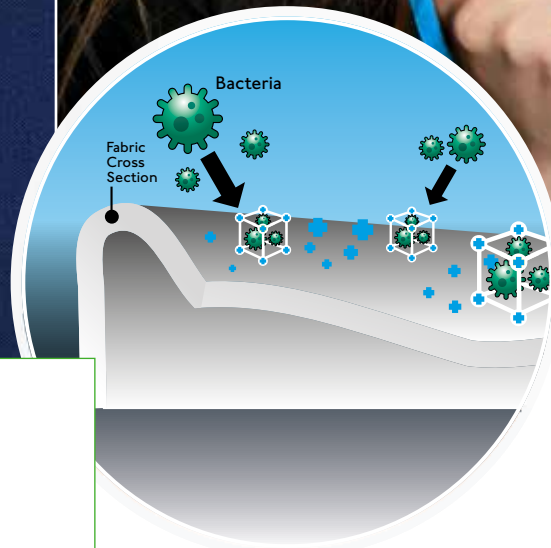

Our extensive research into the healthcare industries reveals new challenges that we're confident we meet through constant innovation in fabric, design function and durability.

FEATURES

Anti-bacterial finish is effective against odour causing bacteria and multiple microbes including:

- **Yellow Staphylococcus**
- **Klebsiella Pneumonia**

CARE FOR THE CARERS
