ANTI-BACTERIAL

Anti-bacterial and anti-microbial protection. Our wash-and-wear breathable fabric deodorises to eliminate body odour and keeps you cool and dry in all seasons.

DEDICATED TO INNOVATION

We have a team committed to innovation in fabrics. If there's some way we can improve a fabric to feel better, last longer and fulfil the needs of individual roles, we will find it. NNT Active Polos have a cotton back for comfort and to keep you dry, with a polyester front for ease of care.

ANTI-PILL

Made from Anti-pill fabric, our Active Polos will keep you looking sharp for longer. They are easy to care for and are machine washable..

DESIGNED FOR YOUR BODY AND ROLE

NNT Active Polos are designed to not only look professional but suit all body shapes. Our polos are a relaxed fit through the body and arms, longer in length and come with a loose pocket. This makes them perfect for those in active roles or a casual Friday look.
