

# EZCURB™ SYSTEM

## CURB RELEASE LIQUID

### Clear Release Liquid

**EZCURB Curb Release Liquid** is a specially formulated colorless bond breaker designed to prevent freshly placed concrete curb from adhering to stamping mats or texture rollers. **Curb Release Liquid** forms a lubricating barrier that prevents stamping mats or texturing rollers to stick to the curb surface. It can be used on plain or integrally pigmented concrete curbs.

#### BENEFITS:

- Excellent release characteristics
- Allows monotone stamping (clear) option
- Used in areas where powders cannot be applied
- Easy to use without the mess and clean up
- Can be tinted with Curb Release Powder to create dual tone accents

**DIRECTIONS FOR USE:** Place and finish the curb as needed for texturing. Cover and protect adjacent foliage. Apply the Curbing Release Liquid liberally to the stamping skins and/or texture rollers and to the curb surface using a garden type sprayer. Apply over an area that can be textured within 15 minutes or so and continue to apply as you advance forward. One gallon is sufficient for approximately 300 linear feet of curbing. Once applied begin texturing. Use your stamping mats or texturing tool to press out uneven impressions. Once complete, clean stamping skins and texturing rollers using plain water. After 24 hours, seal and protect the curb with either **EZCURB SATIN** or **GLOSS SEALER**.

**CLEAN UP:** **Curb Release Liquid** can remain in the sprayer vessel and does not clog sprayer tip for future applications. If the sprayer needs to be cleaned out, then use **Regular Grade Mineral Spirits** to purge the inside sprayer chamber.

**IRRITANT:**  
**RESPIRATORY, EYES AND SKIN**

**GHS HAZARD RATINGS: WARNING:**

**HEALTH HAZARD:**  
**SUSPECTED CARCINOGEN**

**FIRST AID: REFER TO PRODUCT S.D.S. (SAFETY DATA SHEET) FOR COMPLETE HEALTH AND SAFETY INFORMATION BEFORE USING THIS PRODUCT. FOR MEDICAL EMERGENCIES ONLY – CALL INFOTRAC AT 800-535-5053.**

**WARNINGS: CONTAINS COMBUSTIBLE LIQUID AND VAPORS! USE ONLY ON EXTERIOR CURB PLACEMENT. Wear protective clothing and safety glasses during application. Use with OSHA/NIOSH approved eye protection and vapor respirator. Do not ingest. Avoid skin and eye contact and inhalation of the spray mist. Keep away from food and drink.**

**FOR PROFESSIONAL USE ONLY. KEEP OUT OF REACH OF CHILDREN.**

**PACKAGING:** 5 gallon container

**STORAGE/SHELF LIFE:** 40° to 90° F / 3 years- properly stored
