

# EZCURB™ SYSTEM

## CURB RELEASE POWDER

### Accent Release Powder

**EZCURB Accent Release Powder** is a blend of fine pigments and water repelling additives designed to prevent freshly placed concrete curbs from adhering to stamping skins and texture rollers. The **Accent Release Powder** transfers the details of stamping skins or texture rollers to the freshly placed curb in matching or contrasting colors. These colors are used on plain or integrally pigmented curbs.

#### BENEFITS:

- Creates accent stamped texture lines (dual color tone) on curbs
- Prevents adhesion of the concrete to stamps or texture rollers
- Provides accurate texture detail transfer
- Available in 9 colors

**DIRECTIONS FOR USE:** Place and finish the curb surface as required. When excess moisture has dissipated, broadcast a thin layer over the curb surface. Stamp skins or texture rollers may be used immediately following the application. Removal of the excessive powder can take place after the curb is sufficiently hard and the surface cannot be damaged. Sweep the excess material of the curb's surface and rinse excess off with a *light* scrubbing. Take care not to damage the curb surface during this step. After the curb dries thoroughly, apply either the **EZCURB SATIN** or **GLOSS SEALER** to protect and enhance the newly placed textured curb.

**COVERAGE:** Approximate coverage rate is 2 pounds per 100-150 linear feet. One 25 lb. pail should cover over 1,500 linear feet.

**CAUTIONS:** Be aware of wind conditions when applying. In colder temperatures allow more time for the concrete to cure before removing the excess *Accent Release Powder*. Be careful not to stain surrounding areas with excess rinse water during removal of residual.

#### GHS HAZARD RATINGS: WARNING:

Irritant-Respiratory Tract Irritation.

Health Hazard: Known carcinogen

**WARNINGS: HEALTH HAZARD & IRRITANT:** Contains synthetic iron oxide powders. Refer to product S.D.S. (SAFETY DATA SHEET) for FIRST AID INFORMATION, or any related health and safety information before using this product. For medical emergencies only, call INFOTRAC @ 800-535-5053.

**FOR PROFESSIONAL USE ONLY. KEEP OUT OF REACH OF CHILDREN.** Avoid Inhalation of the dusts and prolonged direct contact with skin. Wear protective gloves, safety goggles, and O.S.H.A. /N.I.O.S.H. N-100 particulate approved mask when applying. Keep away from food and drink. Wash hands thoroughly after use and before eating. Do not take internally.

**PACKAGING:** 25 lb. (11.30 kg) pails

**STORAGE:** 40°F to 90°F in a dry, climate protected warehouse.

**SHELF LIFE:** 1 year

**WARRANTY:** Specco Industries Inc (Specco) solely and expressly warrants that its products shall be free from defects in materials and workmanship for one (1) year from the date of purchase. Unless authorized in writing by an officer of Specco, no other representations or statements made by Specco or its representatives, in writing or orally, shall alter this warranty. **SPECCO MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AS TO THE MERCHANTABILITY OR FITNESS FOR ORDINARY OR PARTICULAR PURPOSES OF ITS PRODUCTS AND EXCLUDES THE SAME.** If any Specco product fails to conform with this warranty, Specco will replace the product at no cost to Buyer. **Replacement of any product shall be the sole and exclusive remedy available and buyer shall have no claim for incidental or consequential damages.** Specco does not authorize anyone on its behalf to make any written or oral statements which in any way alter Specco's installation information or instructions in its product literature or on its packaging labels. **Specco explicitly excludes any written or oral statements or implied warranty on the performance of an applied/installed product manufactured or sold by or through Specco.** Specco has no control over Specco application standards adherence, site conditions, atmospheric variations, installer/applicator skill level or the determination of the suitability of any Specco products for a specific intended purpose. Buyer shall be solely responsible for determining the suitability of Specco's products for the Buyer's intended purposes.
