

EZCURB™ SYSTEM

SURFACE TREATMENT

EZCURB™SURFACE TREATMENT is a moisture evaporation reducer designed to help produce quality concrete curbs by combating rapid drying conditions caused by high heat, strong winds, low humidity, direct sunlight or the use of accelerators in the mix. It forms a lubricating gelled surface film which reduces plastic shrinkage cracking and wind crusting and allows the surface to remain plastic for extended finishing time. It is very effective

BENEFITS:

- Significantly reduces surface moisture evaporation in adverse weather conditions
- Virtually eliminates plastic shrinkage cracking, spider cracking, and wind crusting
- Extends amount of finishing time resulting in improved surface uniformity
- Easier and faster finishing reduces labor expenses and overall job cost
- Environmentally and user friendly
- Contains no solvents, no V.O.C.'s, 100% bio-degradable

DIRECTIONS: Immediately after placing the freshly poured curb, apply a light mist coating of the **SURFACE TREATMENT** to the curb surface using an industrial sprayer. Proceed with floating and finishing steps and re-apply **SURFACE TREATMENT** wherever the curb begins to prematurely dry on its surface. **SURFACE TREATMENT** allows you to form and finish fast and easy, allowing your tools to slide easily over the curb and eliminating unevenness and marred surface texture. Coverage rate is approximately 200-300 linear feet per gallon. **SURFACE TREATMENT** becomes integrally bonded with the hardened concrete surface and does not impair sealer bonding or alter the color of the curb. It simply reduces moisture evaporation while the concrete curb remains in the plastic state.

CAUTION: **SURFACE TREATMENT** is not a substitute for curing compounds. Concrete curbs treated with this product must still be cured per ACI recommendation guidelines. **SURFACE TREATMENT** does not alter the effectiveness of release powder or liquids, and curing or sealing compounds. Keep from freezing. If frozen, loosen cap, lid or bung and allow solution to thaw and mechanically agitate before using.

FIRST AID: REFER TO PRODUCT S.D.S. (SAFETY DATA SHEET) FOR COMPLETE HEALTH AND SAFETY INFORMATION BEFORE USING THIS PRODUCT. FOR MEDICAL EMERGENCIES ONLY –CALL INFOTRAC AT 800-535-5053.

WARNINGS & SAFETY INFORMATION: **SURFACE TREATMENT** is safe to use. Keep containers closed. Keep away from food and drink. Wash hands after use and before eating. Do not take internally.

FOR PROFESSIONAL USE ONLY. KEEP OUT OF REACH OF CHILDREN.

PACKAGING: Available in 1, 5 & 55 gallon containers

STORAGE: 40° to 90° F. Protect from freezing. If frozen, allow to thaw and use as needed.

SHELF LIFE: 1 year properly stored

WARRANTY: Specco Industries Inc (Specco) solely and expressly warrants that its products shall be free from defects in materials and workmanship for one (1) year from the date of purchase. Unless authorized in writing by an officer of Specco, no other representations or statements made by Specco or its representatives, in writing or orally, shall alter this warranty. **SPECCO MAKES NO WARRANTIES, IMPLIED OR OTHERWISE, AS TO THE MERCHANTABILITY OR FITNESS FOR ORDINARY OR PARTICULAR PURPOSES OF ITS PRODUCTS AND EXCLUDES THE SAME.** If any Specco product fails to conform with this warranty, Specco will replace the product at no cost to Buyer. **Replacement of any product shall be the sole and exclusive remedy available and buyer shall have no claim for incidental or consequential damages.** Specco does not authorize anyone on its behalf to make any written or oral statements which in any way alter Specco's installation information or instructions in its product literature or on its packaging labels. **Specco explicitly excludes any written or oral statements or implied warranty on the performance of an applied/installed product manufactured or sold by or through Specco. Specco has no control over Specco application standards adherence, site conditions, atmospheric variations, installer/applicator skill level or the determination of the suitability of any Specco products for a specific intended purpose. Buyer shall be solely responsible for determining the suitability of Specco's products for the Buyer's intended purposes.** Product demonstrations, if any, are done for illustrative purposes only and do not constitute a warranty or warranty alteration of any kind.
