

Transfer of Ownership

If you decide to sell your safe it is important to notify Browning Safes of the sale to prevent any issue's in the future. We also require the below information to update the registration and to continue the manufacture warranty with the new owner. We require a \$25.00 fee to transfer your ownership along with this documentation. If you would like to transfer the ownership of your safe, please follow the below steps.

- Receipt of the original purchase if the registration was not completed.
- Bill of sale for the transaction.
- Notary Stamp and date below.
- Current Owners information
- New Owner's information
