Product Guide

Elevated Aromatherapy

Welcome to Boundless Technology, a leader in the cannabis aromatherapy industry. Founded in 2015, Boundless Technology has been on the forefront of cannabis aromatherapy technology providing consumers and patients an affordable and reliable alternative to combustion.

Through products such as the CFX, CFC 2.0, and the Tera, the Boundless lineup offers a wide range of heating technology and experiences for the consumer. We specialize in portable, heavy-hitting, and efficient units that will never combust and only extract the cannabinoids and terpenes from the product without any of the by-products of combustion. Enjoy the true flavors and effects from your product and join us on a combustion free journey.

Thank you for checking out the Boundless lineup and welcome to the Boundless family!

CFX+

Zirconia Cooling Air Path

Cools down the vapor prior to reaching the users lips and mouth. The zirconia airpath is located inside the mouthpiece and creates an isolated cooling airpath from the chamber to the outlet on the mouthpiece.

Fully Adjustable Temperature

Precision mode allows for full temperature control from 100°F - 430°F (38°C - 220°C).

Upgraded UI

Set your preferred session time, brightness level, and temperature in the new and improved UI.

Preset Settings

4 preset settings are programmed for quick and efficient sessions. Choose between 378°F (192°C), 400°F(204°C), 414°F (212°C), and 428°F (220°C).

USB-C Charging

Charges fully in about 45 minutes.

TERA

***Now with USB-C**

Weight:	8 oz (0.5 lb)
Dimensions:	120mm x 40mm x 25mm
Heating:	Full Convection Technology
Battery:	(2) Removable 18650 35Amp 2500 mAh
Accessories:	WPA, Glass Mouthpiece, Concentrate Pad Included
Charge:	USB-C Quick Charge

Full Convection Heating

(2) Removable 18650 Batteries

2 Heating Modes - Full Temperature Control Mode (140°F-428°/60°C -220°C) & Concentrate Mode (500°F/260°C).

USB-C Fast Charging

Universal Water Pipe Adapter & Glass Mouthpiece Included

VEXIL

Weight:	10 oz (0.625 lb)
Dimensions:	108mm x 45mm x 20mm
Heating:	Conduction
Battery:	Internal 1800mAh, 3.7V
Sessions:	5 - 7 Sessions
Charge:	USB-C
Preset Temperatures:	377°F (192°C), 399°F (204°C), 413°F (212°C), 437°F (225°C)
Chamber:	Ceramic

Portable and Pocket Friendly

Made for travel. Easily fits pockets and small bags.

Zirconia Cooling Air Path

Cooling spiral installed in the mouthpiece to allow bigger draws with less harshness on the throat.

Magnetic Mouthpiece

Strong magnets hold the mouthpiece onto the unit. Allows for quick and easy loading.

Metal Casing

Enjoy extra protection with an all metal shell. Only dry herb unit in the Boundless Ilineup with an all metal casing.

USB-C

No proprietary charger needed. USB-C charging recharges the battery from 0 to 100 in 45 minutes.

Weight:	12 oz (0.75 lb)
Dimensions:	120mm x 70mm x 30mm
Heating:	Hybrid Heating
Battery:	(2) Internal 2500 mAh 18650
Temperature Range:	100°F - 430°F (37.8°C - 221.1°C)
Charge:	Micro USB or DC Fast Charge

CFC *Lite*

Weight:	6.4oz (0.4 lb)
Dimensions:	98mm x 34mm x 32mm
Heating:	Conduction
Battery:	(1) Removable 18350 800 mAh Battery
Sessions:	3 - 5 Sessions
Charge:	Micro-USB
Chamber:	Ceramic
Preset Temperatures:	385°F (196°C), 403°F (206°C), 421°F (216°C)

 **3 Preset Temperature Settings**
 Presets are color coded and cycle between blue, green, and red (low, medium, high).

 **Portable and Pocket Friendly**
 Fits in most pockets and small bags. Perfect for hiking, concerts, or when discretion is needed.

 **18350 800mAh Removable Battery**
 Easily swappable 18350 battery allows for extended battery life when needed.

Full Temperature Control

Fine tune your session through single degree temperature control.

OLED Display

Temperature and battery life are displayed on the OLED screen.

Ceramic Conduction Chamber

Fast heat-up and pure flavor are achieved through the ceramic oven with baked in heating element.

Water Pipe Adapter included

Ready for water pipes out of the box, as the water pipe adapter comes included.

TERP PEN

• Inhale Activated

• Ceramic Heating Element

• Color & Branding

Weight:	0.4 oz (0.25 lb)
Dimensions:	13mm x 134mm x 13mm
Battery Capacity:	(1) Internal 300 mAh 3.7v Battery
Sessions Per Charge:	Up to 50 10-second pulls
Coil Material:	Ceramic Coil Wrapped with Stainless Steel Coil
Charge:	Micro USB

TERP PEN SPECTRUM

Weight:	0.4 oz (0.25 lb)
Dimensions:	13mm x 134mm x 13mm
Voltage Levels:	3.3V, 3.7V, 4.0V
Battery:	(1) Internal 600 mAh Battery
Heating Coils:	Comes with Ceramic and Quartz Coils
Charge:	USB-C

• Inhale Activated

• Quartz and Ceramic Heating Coils

• 5 Tap Voltage Control

• 14mm WPA Mouthpiece

• USB-C Rechargeable

Single Rod Quartz Coil

Double Rod Ceramic Coil
