Dark Gold from the **FineMatte collection** introduces a sophisticated, muted golden tone inspired by vintage gold aesthetics. Its subtle metallic sheen gracefully interacts with ambient lighting, adding warmth and understated elegance to luxurious and contemporary spaces, while revealing rich, dynamic depths.

Enhanced by **advanced electron beam curing technology**, **Dark Gold** provides excellent fingerprint resistant and anti-yellowing performance, ensuring lasting beauty and durability. The ultra-matte texture creates a soft, tactile experience with a refined metallic charm, ideal for high-end, minimalist interiors seeking an elegant yet subtle statement.
