TABLE OF CONTENTS

GRADING OF SIZE

Ordering with us allows you the possibility to order a mixed range of sizes

Weight Per Date	Super Jumbo > 25G	Jumbo 22 – 25G	Large 18 – 21G	Medium 15 – 17G	Small < 10 – 14G

PREMIUM

The premium dates are the epitome of perfection, boasting flawlessly tight skin adorned with delicate wrinkles. Their taste is a symphony of sweetness, moistness, and a delightfully fibrous texture. Each date is meticulously handpicked to meet the highest quality standards set for Medjool dates.

Weight/Date: 8g - 30g

Moisture content: 23% - 27%

Skin separation: 0% - 5%

DELIGHT

Our Delight range features dates with a touch of character, showcasing minor skin separation that adds a unique charm. But fear not, the incredible taste and texture remain unchanged, just like our esteemed Premium dates. For those seeking a combination of quality and affordability, our Delight range is the perfect choice.

Weight/Date: 8g - 30g

Moisture content: 23% - 27%

Skin separation: 5% - 20%

JUICY (BONBON)

Prepare to tantalize your senses with our luscious rendition of Medjool dates. These Extra Juicy delights will take you on a flavor journey like no other, boasting a succulent, caramel-infused pulp. Their exquisitely soft and creamy texture will simply melt in your mouth with each delectable bite.

Color: Light Brown

Moisture content: 27% - 30%

Skin separation: 0% - 10%

JUICY (EXOTIC)

These Extra Juicy delights will take you on a flavor journey like no other, boasting a succulent, caramel-infused pulp. Their exquisitely soft and creamy texture will simply melt in your mouth with each delectable bite.

Color: Dark Brown

Moisture content: 27% - 30%

Skin separation: 0% - 10%

CLASSIC

These iconic treasures of nature are a testament to the rich heritage of date cultivation. With their golden hue, plump texture, and irresistible sweetness, Classic Dates capture the essence of tradition and luxury.

Weight/Date: 11g - 30g

Moisture content: 23% - 27%

Skin separation: 20% - 35%
