It appears the Olympian athletes in Rio de Janeiro aren’t the only ones attracted to gold, silver and bronze. Metallics have a moment in the design world, too. Whether you have the golden touch or are looking to add just a splash of silver, now is the time to shop. Here are a few ways to add to your own metal collection.

See METALLICS Page E6

The Olympic gold medalists are the envy of many athletes. So it’s no surprise that their teammates are also vying for glory, albeit in a different form: In the world of design. The recent Olympic Games in Rio de Janeiro provided the perfect opportunity for just such a moment, as the rise in metallics continued to grow.
