

Amazon Smile

Living Springs Retreat has enrolled in AmazonSmile, an automatic way to get support from people who designate our ministry when they shop on Amazon. When you shop at smile.amazon.com, it's just like shopping on Amazon.com, but **Amazon will donate a portion of the purchase price to the charitable organization you designate.**

Get Started With These Easy Steps

1. Click on our organization's unique link:

<http://smile.amazon.com/ch/13-3022832>

2. What does our unique link do?

When customers click on our organization's unique link, they skip the process to search for a charity to support among over 1 million eligible charities. Instead, they're taken to smile.amazon.com and are automatically asked if they want to support Living Springs Retreat.

3. Why don't we just tell supporters to search for our charity at smile.amazon.com?

We can but that makes it harder for our supporters to find and select our organization. There are over 1 million eligible charities, and customers may end up picking a different organization during the selection process. Sharing our charity link increases the likelihood that customers will select our charity before they start shopping.

4. Do our supporters have to click on my charity's AmazonSmile link every time they shop?

No. Once customers select our organization, we will receive 0.5% of the price of all their eligible smile.amazon.com purchases, regardless of whether they use our unique AmazonSmile link to return to the site. However, we recommend that our supporters bookmark and use our link so they don't accidentally shop at www.amazon.com instead of smile.amazon.com. Only purchases made at smile.amazon.com are eligible for donations.

5. What do customers that have already selected a charity see when they click on our organization's unique link?

If someone is already supporting our organization and they click on our unique link, they will simply be taken to smile.amazon.com so they can start shopping. They do not have to re-select our charity. If someone is supporting a different charity and clicks on our charity link, they will be asked if they'd like to switch to support our organization.
