

Product Specification

Product Name: Poly(styrene/butadiene) 85:15
Catalog Number: 07073
CAS Number: 9003-55-8
Storage Temperature: Store at room temperature

Specifications:

Test	Specification
Tg (glass transition temperature)	33.0000 - 41.0000 °C
Volatile Matter	0.0000 - 1.5000 %
Particle Size: Sieve	100 Mesh: 0.0000 - 35.0000 %

The information provided is accurate at the time of preparation. This is not a CoA.
