

Product Specification

Product Name: Poly(L-lactic acid), IV 0.15 dL/g
Catalog Number: 18580
CAS Number: 33135-50-1
Storage Temperature: Store at -20°C

Specifications:

Test	Specification
Appearance	Nearly white, coarse-grained powder
Inherent viscosity	0.10 - 0.20 dL/g

The information provided is accurate at the time of preparation. This is not a CoA.
