**Humane Society of Truckee-Tahoe  
Original Purchase of \$30,000 in 2013**

"10 years after opening our shelter and outfitting our cat rooms with Crijopets products, we remain very satisfied customers! Over this time, thousands of cats have come and gone through our adoption program but you could never tell because the enrichment/agility equipment is so quality. I can safely say that the return on investment with this product is worth the initial purchase price and I highly recommend it to anyone looking to improve their cat accommodations!"

### RESOURCES FOR DONOR AND GRANT REQUESTS

Spend pennies per day to enrich your cat room.

- Average of 4 cats in the room every day, over 15 years
- \$6,000 = equipment cost (# of beds needed for four cats)
- \$6,000 / 15 years = \$400 / year
- \$400 year / 4 cats is \$100 per year / per cat = 27¢ / day

Defining the Standard for Animal Welfare Architects and Shelter Veterinarians

Consult your cat behaviorist for enrichment products, providing solutions for your staff & facilitating the adoption process by reducing stress in cats.
