34 PRODUCT OPTIONS

PRODUCT FEATURES

Setting trends in interior mirrors. Unique designs, expert craftsmanship, and remarkable clarity

ULTRA THIN MIRROR

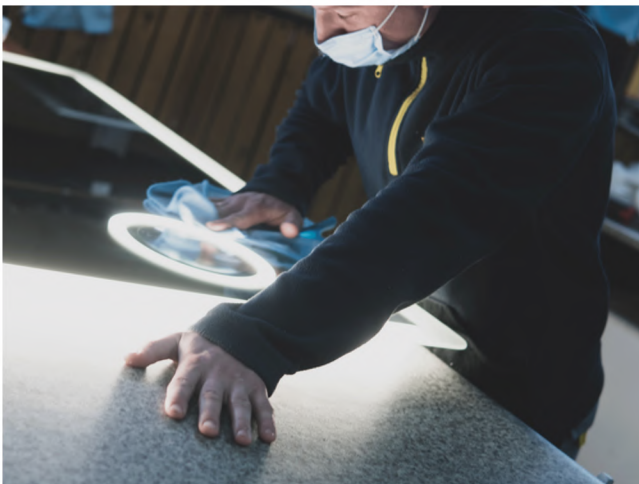

Our technologies allow us to give you the thinnest mirror with LED illumination of only 24 mm. Now there are no compromises — excellent design and "lightness" of construction

WARRANTY

Experience peace of mind with our comprehensive warranty on all our products

5 YEAR WARRANTY
1 YEAR WARRANTY ON SMART MIRRORS

PREMIUM LED SOLUTIONS

Our LED solutions allow us to give you a product with a dense, bright, white glow. The service life of the LED strip is up to 120,000 hours

MIRROR TECHNOLOGY

Liberta Mirrors all utilize MIROX 3G, a unique mirror product patented by AGC Flat Glass Europe, signifies a major leap in mirror technology. This third-generation mirror excels in quality, eco-friendliness, durability, and performance. It's a milestone for manufacturers, processors, and end users, offering superior benefits and prioritizing environmental sustainability.

MIROX 3G 4MM

The MIROX 3G Standard 4mm mirror from Liberta, is a versatile choice that meets a wide range of customer needs. Its high-quality reflection enhances the aesthetic appeal of any space, making it a popular choice for various settings.

MIROX 3G 6MM

This 6mm thick premium mirror glass, preferred by designers and architects, enhances light play and subtly emphasizes the high status of Liberta mirrors.

DIAMOND CLEARVISION

Diamond "ClearVision" stands as a global leader in mirror glass technology. Its 4mm ultra-transparent glass, free of any greenish tint, is a testament to its superior quality. This glass significantly enhances the appeal of white or light interiors.

ART COLLECTION

A vibrant showcase of **creativity, craftsmanship, and cultural richness.**

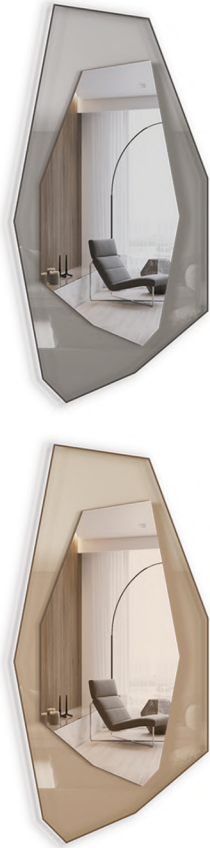

Introducing the ART Collection:

A celebration of Ukrainian artistic talent and design ingenuity. Transforming ordinary spaces into awe-inspiring works of art, this collection showcases the creative vision of Ukrainian artists brought to life through the medium of mirrors.

CORE

DESCRIPTION

CORE is a designer mirror that stands out with its unique shape and sharp edges. It features a special edge processing technology that adds a touch of creativity and blurs the boundaries of reality. ROYAL COLLECTION

Handcrafted excellence, intricate detailing, and unique designs.

Introducing the ROYAL collection

The Royal Collection by Liberta is a true representation of the finest quality craftsmanship, inspired by the art and culture of Europe. Drawing inspiration from the timeless designs and methods of the past while embracing modern technology and innovations.

ANTICA

DESCRIPTION

ANTICA is a stunning embodiment of antique classic design fused with modern style. Its balanced silhouette and eternal meander pattern captivate, while the ultra-precise engraving technology creates a mesmerizing three-dimensional effect.

FEATURES

- MIROX 3G 6mm Glass
- Hand crafted
- 20mm transparent bevel
- Universal Mount (Vertical & Horizontal)

SKU #	Size (W*H)		MSRP
	INCH	MM	
ATC4830S	48*30	1219*762	\$4,995

Tolerance on dimensions +- 1/4"

TIMELESS CLASSIC

It will never tarnish, will not lose even a speck of shine and nobility. The transparent bevel will always reflect the depth of light, and the mirror glass will remain elegant and thin.. In ancient Greece, the meander symbolized eternity: the continuous becomes immortal. A deep magical meaning is hidden in the straight corners of the Liberta ANTICA mirror, and in the mirror canvas - a unique, ultra-precise technology.

CLEOPATRA

DESCRIPTION

Exuding opulence and individuality, the Liberta CLEOPATRA gold mirror is a high-end masterpiece. Its intricate gold leaf pattern, engraved within the mirror, radiates a lasting shine that underscores its luxurious status. With its distinctive design, CLEOPATRA is more than a mirror; it's a bold statement of style and sophistication.

FEATURES

- MIROX 3G 6mm Glass
- 20mm transparent bevel
- Hand crafted
- Universal Mount (Vertical & Horizontal)

SKU #	Size (W*H)		MSRP
	INCH	MM	
CLR4830S	48*30	1219*762	\$5,995

Tolerance on dimensions +- 1/4"

VINTAGE GOLD

A pattern with expressive leaves colored in gold - we guarantee that you will fall in love with its texture and depth at first sight. Bright, but noble gold makes the engraving more noticeable, deliberately expressive, attracts the attention of lovers of warm interiors.

MYSTERY

DESCRIPTION

MYSTERY is a breathtaking masterpiece from Liberta that merges technology, art, and luxury. Its unique Boucharde engraving creates a visual and tactile experience that is truly one of a kind. Each mirror features a unique and irregular design, making no two mirrors the same. The Boucharde pattern scatters light in mesmerizing ways, making the mirror sparkle in any lighting.

FEATURES

- MIROX 3G 6mm Glass
- Hand crafted
- One of a kind
- Universal Mount (Vertical & Horizontal)

SKU #	Size (W*H)		MSRP
	INCH	MM	
MYS4830S	48*30	1219*762	\$4,995

Tolerance on dimensions +- 1/4"

BOUCHARDE

Utilizing the latest technology, Liberta is able to achieve the Boucharde method making MYSTERY mirror is a wonder to behold. It's a natural law that the Boucharde pattern is never repeated, making each mirror a **one-of-a-kind piece of art**. The countless facets on each element of the engraving scatter light in mesmerizing ways, making the mirror sparkle in any lighting. And when the light hits the engraving just right, it glows with all shades of the visible spectrum, creating a breathtaking and truly unique experience.

OPTIONS

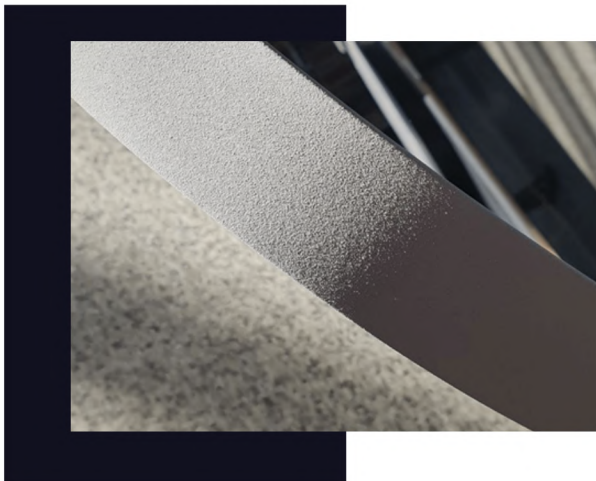

Possibilities are endless, we also have different types of frames and options.

Frame Types + Colors

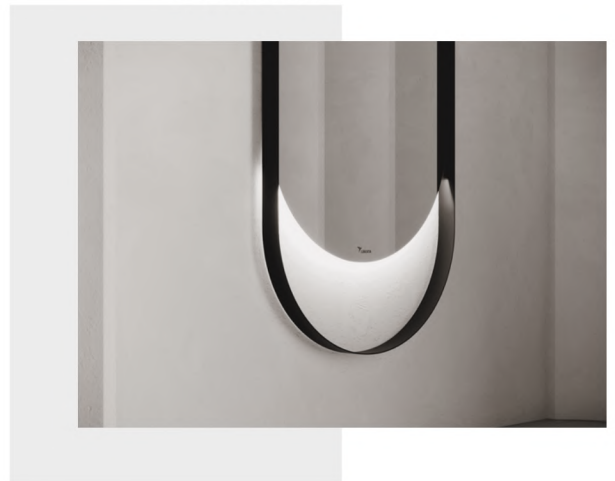

All products with frames not only come in White and Black, but also **Graphite** and have a variety of textures, including gloss, matte metal, or new "MOIR" which adds depth and dimension to the mirror.
