

Carmel van der Hoeven

State of Play

22-
MAR 26

The final release of the
numbered State House Series

Opens from 5pm Friday 22 March - The final release of Carmel van der Hoeven's State house Series & your final chance to secure a piece from this iconic collection.

The total series comprises of 100 numbered State House works and "State Of Play" see the release of the final 40 works, a mix of acrylic on linen and oil pastel on paper.

The acrylic paintings are in oak tray frames or beautiful custom rescued timber frames, crafted by Luke, Carmels husband.

There will be no presale for this exhibition, but the entire collection will be online from 6.30pm on opening night and all available pieces will be able to be purchased online.

State Of Play shows from Friday 22 March - Wednesday 27 March.

Below is a guideline of prices for these pieces.

The catalogue for viewing only will be available online from Wednesday morning, 20 March.
