***My playlist gets bigger with each promising sky.***

***Etched on the landscape, with every turn the road finds myway back to you.***

*I have taken many road trips up and down New Zealand, photographing hills, barns, lighthouses and everything else. These photos are the inspiration for my landscape paintings and this latest exhibition takes in simple scenes from the deep south to back up north, where I live.*

## Deep South

**The green  
boat shed  
(Stewart Island)**  
510x510  
**\$1900**
