STEP 6

Attach the trundle slat **7** to the trundle frame **5** using medium bolts **B**.

STEP 7

Insert the bed slats **4** into the trundle frame **5**.

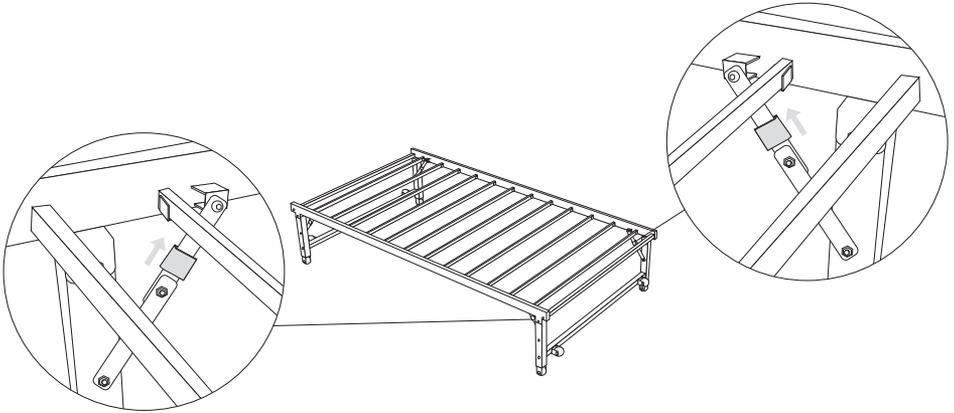

Congratulations, you just finished assembly!

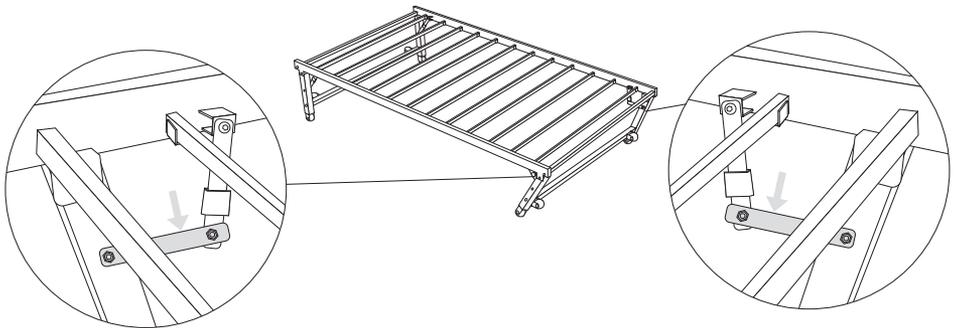

⚠ WARNING: PINCH HAZARD. Keep Children Away from Bed
When folding bed

Folding Instructions

Beginning with the foot end of the bed, move up the security caps on both sides of the leg structure at once.

Holding up the security caps and making sure that your fingers are clear of the support legs, slowly push the hinge forward on both sides of the leg structure at once. If you need help, request assistance from another adult.

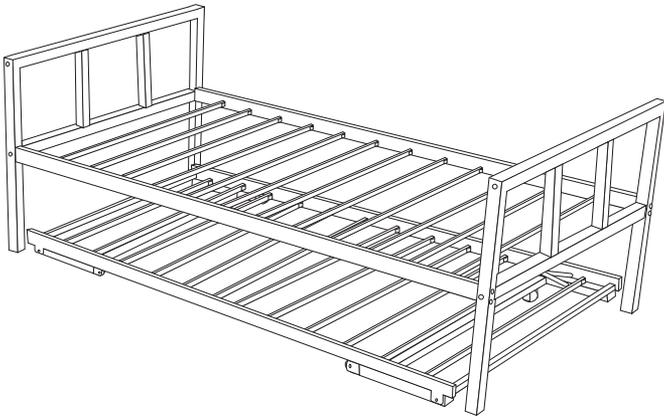

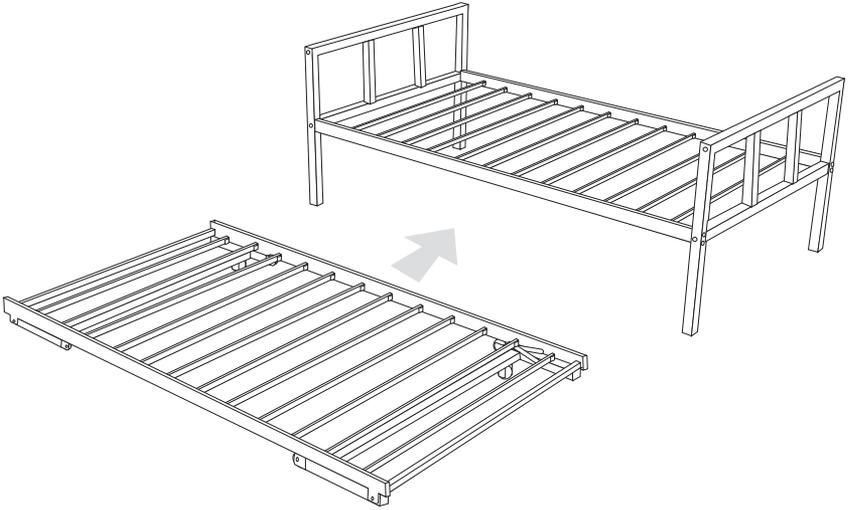

Be sure to support the trundle end slat so the trundle is lowered slowly.

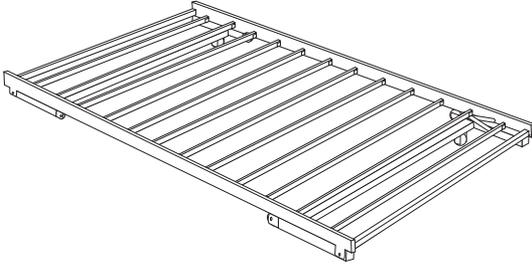

Carefully repeat these instruction on the opposite side of the bed.

Once both legs are securely folded, roll the trundle underneath the daybed.

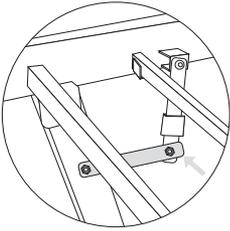

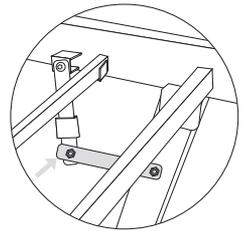

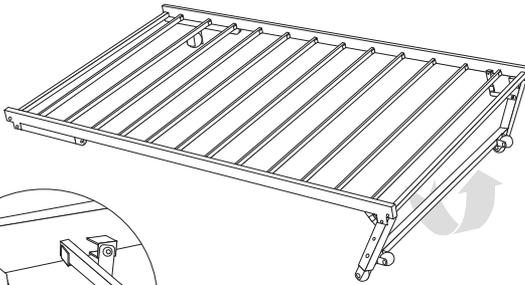

Opening Instructions

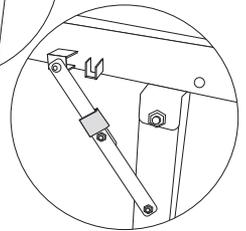

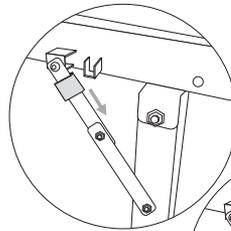

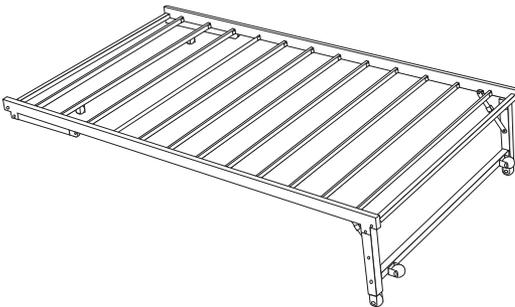

To begin, roll out the trundle from under the daybed.

Extend the leg structure from one of the sides.

Straighten the hinge and secure the legs structure by moving the security caps down.

Repeat to open the opposite end of the bed.
