

SCHWER® BASIC PROTECTION

ITEM NO : LT5617

SCHWER® 18 Gauge Palm Coated Work Gloves,
MicroFoam Nitrile Coated

PRODUCT DESCRIPTION

Lightweight and Breathable: Lightweight fabric combined with unique knitting technology creates an extremely thin and light feel

Strong grip: Nitrile foam coating provides strong grip in humid and greasy environments

Seamless Structure: 18-gauge seamless structure conforms to ergonomics for comfortable and breathable wear

Elastic cuffs: Elastic cuffs fix the operator's wrist and can be easily put on and taken off.

Risk Application: Suitable for various dry and humid working environments

FIELD OF USE

Electronic Assembly, Hardware Tools, Warehousing and Logistics, Mechanical Maintenance, Gardening

Abrasion Resistance 4

Cut Resistance 1

Tear Resistance 3

Puncture Resistance 1

LAUNDRY INSTRUCTION

It is recommended to wash with warm water within 40°C. A neutral non-ionic detergent can be used. The washing cycle time is 5-10 minutes. For low-temperature drying, the maximum temperature should not exceed 140°F (60°C), or it can be naturally hang dried.
