

RESERVATION FORM

This is a reservation only, NOT a commitment to join the club. This Reservation Form will help us to determine the number of courts needed for each primary sport offered and will be instrumental in customizing the final layout of the Club courts for the individual needs of its Founding Members.

MEMBERSHIP

Membership entitles a family, which includes grandparents, parents and children (all entitlements at sole discretion of the Club) a total of 9 hrs of shareable court time per week. For example, a family of four playing together on one court (quad play) for 1 hour per week would utilize 4hrs of their allotted 9hrs of court time. (It is just \$15.50 per family Member per week for each of 4 family Members to be able to play 2.25 (9 hrs total) hours of racquet sports per week). Another example, one single member would be able to play 9hrs/week based on quad play (4 PPL/court).

Your \$1750 Membership Fee plus GST (for the Founding Members) and \$255 plus GST per month, provides you with a Court Time Value of \$6.49/hr for 9 hours per week!

Your reserved court time will be scheduled using Club AI software for fairness of court time distribution among the Members, and the hours will be prioritized in nine categories ranging from “peak” to “off peak”. Members will also have access to a swap board, utilized to exchange the court time(s) for their primary sport with available court time(s) in any other category of sport or within the same category of sport on an alternate day and/or time.
