2022 GIFTING CATALOG

Happiness Grows Here.

Lula's Garden is an eco-friendly succulent gifting company. We create thoughtful and memorable gifts that make you (and the planet) feel good! Our vision is to connect people through a one-of-a-kind gifting experience.

The Gardens are hand-planted in a self-sustaining gift box, uniquely designed to serve as a planter for the succulents to thrive in - simply open up the box and enjoy your gift!

The combination of luxurious design and enduring flora makes Lula's Garden one of the most popular destinations for events and corporate gifting.

We proudly support water.org. Each garden helps provide six months of access to safe water for one person in need.
