EXPLORE

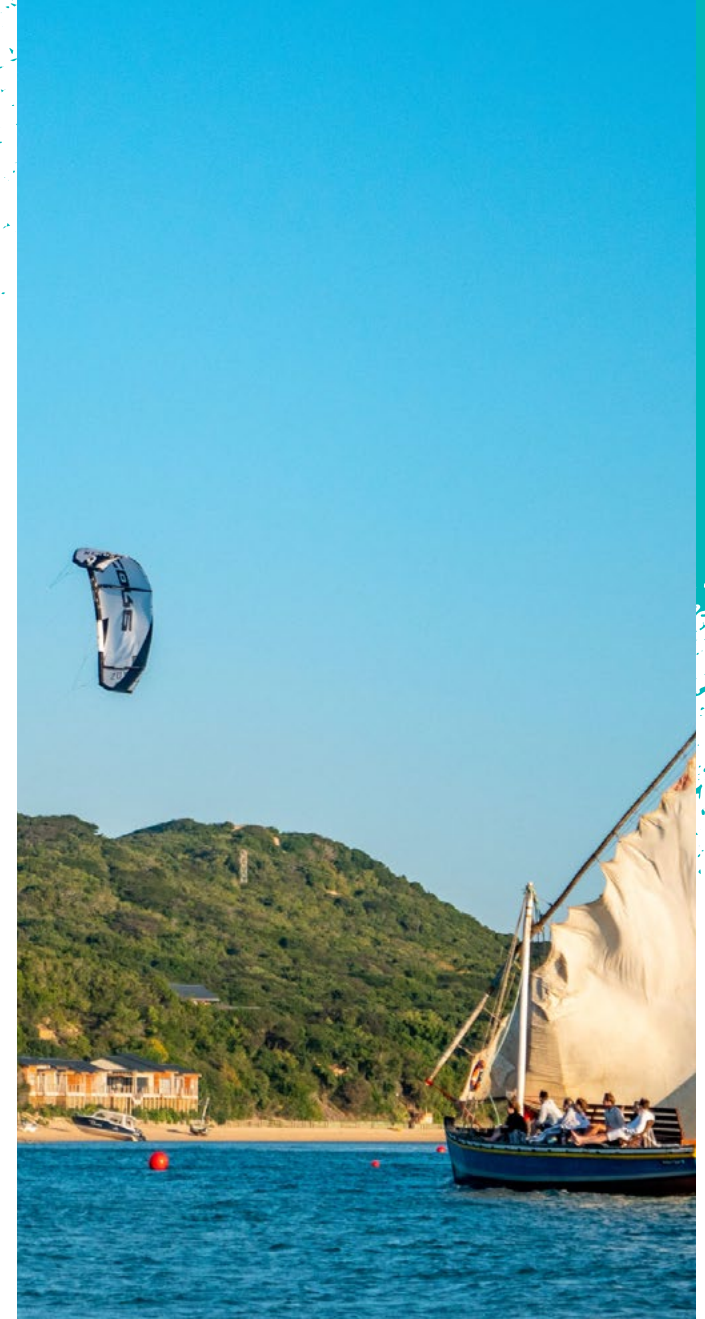

Mozambique

Join us as we explore these spectacular Islands in Mozambique and seek the perfect conditions for our kitesurfing and wing foil enthusiasts. This exclusive experience will offer incredible kiting in a blue water paradise! These trips will be hosted by Joshua Emanuel & Lorenzo Valenti as well as our team of instructors.

The trip is open to everyone! Whether you are a first time kiter or trying to advance your riding in different areas from jumping to kite foiling. We will have a team of instructors available on these trips to meet your needs.

This is an all-inclusive holiday where food will be catered for by a chef at the lodge and soft drinks will also be supplied. The boat transport from Maputo to Inhaca Island and Island fees are also included and will be organised by us.

We will photograph and record your memories with footage of your kiting progression and island experience.

KITESURFING

The conditions are ideal for early morning kite sessions straight out in front of the lodge. We will also visit different spots to ensure you have the best condition and experience.

The team and boat will be on service to help with rescues. For those that will be starting their kitesurfing journey with us on Inhaca island, we will have our team of instructors to cater for your needs.

For the experienced riders we suggest doing the magical downwind back to the lodge in the afternoons and enjoy the red African sunset on your way down. The boat will follow the group on the downwind and assist with landing kites at the end of the downwinder.

Another downwind that we highly suggest for the experienced riders is from the Lighthouse on Inhaca Island all the way to the Portuguese Island. This will need to be organised the day before and the open vehicle will collect the group from the lodge and drive through island to the Lighthouse(45min drive). This downwind is in open ocean so experience in waves is advised. A member of our team will accompany the group and guide and assist throughout the downwind. (€15 pp vehicle fee)
