

BALI

100% Polypropylene Pile

\$\$\$\$\$

Bali is an indoor/outdoor rug collection featuring a fresh color palette of neutral ivory and cocoa with cool grays and blues with pops of bright gold. It is a power-loomed quality of easy-care polypropylene and the textural loop construction adds unique surface interest. The colors are on trend with many new fabrics in today's market for both indoor and outdoor décor, making Bali a right-on-trend selection for any home.
