

COIL SPRING COMPRESSOR C/W UNIVERSAL JAWS

 **08395000**

PRODUCT DESCRIPTION:

- Dismantles McPherson struts safe and easy and handles approximately 90% of all cars
- Supplied with two sets of standard jaws which are easily changed and feature hard-wearing polyurethane inserts (ø80-120mm and ø80-200mm)
- The high-tech protective inserts improve safety considerably by forming themselves around and gripping the spring firmly to prevent it from slipping from the jaw. In addition, the insert protects the spring from scratches and therefore from corrosion
- The large user-friendly and ergonomic adjusting handle makes manual positioning of the jaw fast and easy
- The jaws are secured with strong bolts and equipped with a lip which locks the spring during compression for improved safety
- TUV approved - Safety Factor 4
- Maximum Load 1500kg
