

18780200 - Universal C CLAMP

INSTRUCTIONS

The C clamp can be used with Impact Guns, Ratchets, Spanners or Power Bars.

This tool is designed to work with the 08700000 sleeve sets and relevant discs.

This tool also gives greater access to restricted areas.

NOTE: When in use keep screw well lubricated and free from dirt to help with ease of operation and to prolong the life of the screw.
