

KitchenAid CLASSIC

2-slot Toaster 5KMT2115

- **Adjustable shade control dial with 5 shade settings**
Regulates browning of the toast, from 1 (light) to 5 (dark)
- **Manual high-lift lever**
Raises even the smallest slices to a high level for easy access and removal when toasting is complete
- **Bagel button**
Reduces the power on one side of the heating elements by 50%
Gently browns the outside (bottom of bagel) while toasting the inside (cut side)
- **Extra wide (3.8 cm) slots with self-centering racks, and extra-deep, steel toasting cavity**
Accept the thickest bagels, breads or pastries
Ensures even browning and heating of thin or thick breads
- **All-metal body construction and a chrome temperature control knob**
Makes this toaster durable, with extraordinary style

KitchenAid CLASSIC 2-slot Toaster 5KMT2115

STANDARD ACCESSORIES/CHARACTERISTICS

Extra-wide slots with automatic self-centering racks

Extra-wide slots to easily toast bread, bagels, and English muffins up to 2.8 cm thick. Self-centering racks help ensure even heating of thin or thick breads.

Controls

Easy-to-use controls with one-touch buttons to quickly select the desired settings.

- **Shade Control Dial:** To precisely set the desired brownness level.
- **Bagel function:** Ensures optimal heat and time for the best results. The heating elements will adjust to nicely toast the inside of a cut bagel without burning the outside surface.
- **Cancel button:** To stop a toasting cycle that is already in process.
- **High-Lift Lever:** Press down to lower foods and start the toasting cycle. Once toasting is complete, lever lifts food above Toaster for easy removal.

Removable crumb tray

The removable crumb tray slides out for quick removal of crumbs.
Hand wash only.

OPTIONAL ACCESSORIES

Sandwich rack 5KTSR1

Is the convenient way to toast fresh, hot sandwiches (croque-monsieur) made with thinly sliced meats and cheese. The hinged design opens flat to make inserting and removing sandwiches easy. It ensures that the slices of bread clamp together and that the cheese does not run out. Made out of stainless steel.

Bun warmer 5KTBW22

Heat up your bread buns and rolls, and keep them warm on top of your toaster. Made out of stainless steel.
