STANDARD PARTS

Metal food grinder

The KitchenAid Metal Food Grinder tackles even the most challenging ingredients with speed and ease.

Sausage stuffer tubes and plate

Two sausage stuffer tubes make it easy to create a variety of fresh, inventive foods.

Stainless steel knife

To process soft and hard ingredients.

Cleaning brush and food pusher

Cleaning brush makes it easy to remove food from the grinding plates and other parts of the grinder. Use the food pusher to push easily any kind of food towards the knife and plates.

Fine and medium grinding plates

Fine (3mm) and Medium (4.5mm) grinding plates: to grind meats and dried breads. Use the fine plate to grind pâté, baby food, appetizer spreads, hamburger, smooth sausages. Use the medium plate to grind hamburgers, soups, casseroles, breakfast sausage patties, etc...

Coarse grinding plate

8 mm blade to grind meats (chili con carne, Italian meat sauces, savoury meat pies), vegetables and cheeses.
