

Barry Sears, Ph.D.

Address: 200 Corporate Place, Peabody MA 01960

Date of Birth: June 6, 1947

Place of Birth: Long Beach, CA

Research Interests: Dietary modulation of hormonal and epigenetic responses to treat chronic disease conditions associated with inflammation.

Education:

1964-1968 A.B. (with Honors) Occidental College

1968-1971 Ph.D. Indiana University

Postdoctoral Training:

1971-1974 University of Virginia Medical School, Department of Biochemistry

1974-1975 Boston University Medical School, Department of Medicine

Academic and Non-Profit Positions:

1975-1978 Research Instructor, Department of Medicine, Boston University Medical School

1978-1982 Staff Scientist, National Magnet Laboratory, Massachusetts Institute of Technology

2003-present President, Inflammation Research Foundation, Peabody, MA

2016-present Voluntary Assistant Professor of Surgery, University of Miami Medical School

2016-present Adjunct Faculty, School of Nutrition and Health Promotion, College of Health Solutions, Arizona State University

2023-present Visiting Professor, Faculty of Medicine, University of Cartagena,
Columbia

Industrial Positions:

1976-1986 President, Lipid Specialties, Inc.
1982-1986 President, PGE Technologies, Inc.
1986-1992 President, BIOSYN, Inc.
1992-present President, Surfactant Technologies, Inc.
1996-1999 President of Zone Perfect, Inc.
1999-present President, Zone Labs, Inc.
2006-present President, MedWell Foods, Inc.
2020-present President, Senotec Labs, LLC

Professional Memberships:

American Oil Chemists Society
International Society for the Study of Fatty Acids and Lipids
American Diabetes Association
Obesity Society
American Society of Bariatric Physicians

Editorial Board Membership:

European Review of Medical and Pharmacological Science
CellR⁴: Repair, Replacement, Regeneration, and Reprogramming
