BEE IDENTIFICATION QUIZ

We hope you've learnt a thing or two from us over the past 3 years *no pressure* and we thought for a bit of fun you could test your bee knowledge by drawing a line to match the species of bee (on the left) to the photo (on the right).

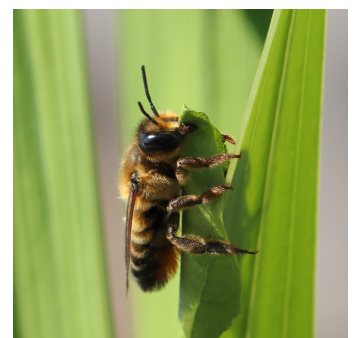

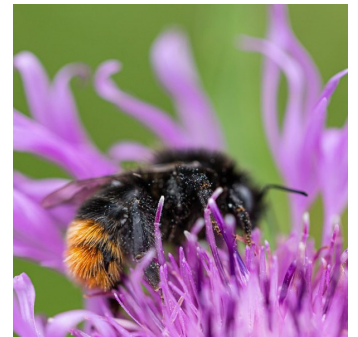

Honey bee

Drone

Leaf-cutter bee

*Red-tailed
bumble bee*

Mason bee

BEE proud of your score and tag us @beevive_uk to see if you got all 5 correct & win a prize!
